

COOINDA PRIMARY SCHOOL

DRESS CODE

Rationale:

The Dress Code is established by the Cooinda Primary School Board to promote a positive, safe and healthy learning environment for the students.

The School Board and the P&C believes a school dress code:

- ◆ Fosters and enhances the public image of the school;
- ◆ Ensures students are safely and appropriately dressed for specific school activities;
- ◆ Encourages and assists in building school and team spirit among students;
- ◆ Assists in identifying our students for requirements of duty of care, especially for out of school activities.
- ◆ Takes into account religious and cultural requirements.
- ◆ Includes gender neutral options such as shorts and pants.

Standards:

- For the health and wellbeing of the child, it is necessary that students are clean and well-groomed, including clipped fingernails and long hair tied up.
- For personal safety & risk of loss, jewellery permitted at school only includes studs or small sleepers for pierced ears, watches may be worn. Any significant cultural/religious jewellery may be permitted upon approval of the Principal.
- To build self-concept and image at our school makeup, non-natural coloured hair, extreme hair-styling and nail polish is deemed inappropriate.
- Students must wear a broad brim hat when outside and clothing that covers the shoulders to protect the skin from the sun. Particularly on free dress days and social events when a school uniform is not a requirement.

Education Department sanctions for students not meeting “ Dress Requirements for Students” policy:

Sanctions allow Principals to prevent students from:

- Attending any activity in which the student is representing the school; or
- Attending or participating in any school activity which, in the opinion of the Principal, is not part of the educational program.
